---

## Introduction to One day Teachers Training Program

# Agenda

- The three critical areas for teachers
  - Teaching for Teachers
  - Learning for Teachers
  - Leaders for Teachers

# Learning Vs Teaching

## LEARNING

- To **gain** knowledge or skill by study, instruction or experience
- Responsibility for change lies with the learner

## TEACHING

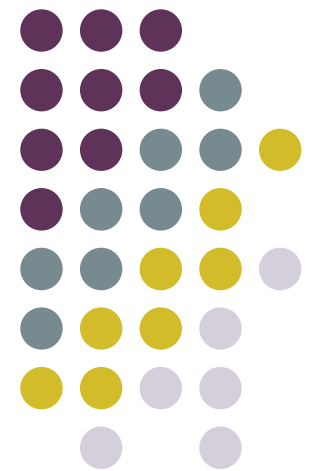

- To **impart** the knowledge or skill by example or experience
- Responsibility for change lies with the coach or trainer

**Happy  
Thoughts**

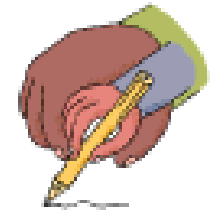

# Part 3

## Teaching for Teachers

# 5 Powerful Teaching Techniques

1. Fun learning
2. Active learning
3. Two way learning
4. Analogies Memorize learning
5. Use VAK Mix (Multi sense learning)

# Three types of learners

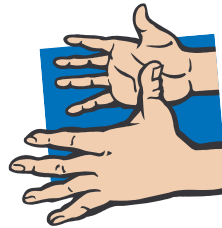

- Visual

- Auditory

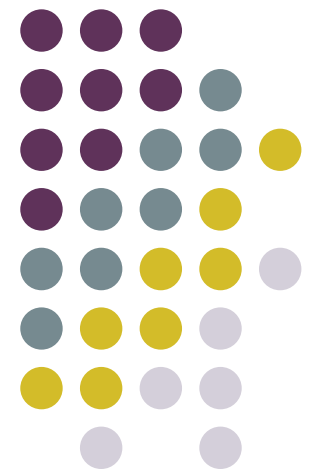

- Kinesthetic

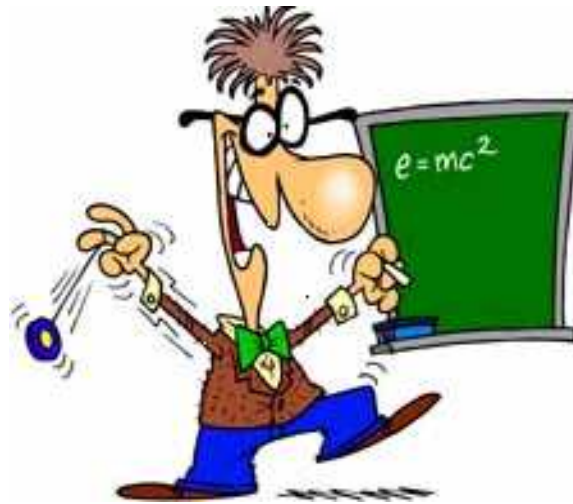

# Part 4

## Learning for Teachers

# Learning to inspire

*The mediocre teacher tells.  
The good teacher explains.  
The superior teacher demonstrates.  
The great teacher 'inspires'.*

**Happy  
Thoughts**

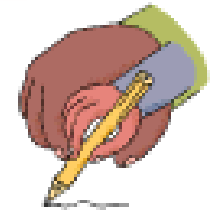

# 5 Powerful ways to inspire

Do 3 things that a doctor does

- ▲ Tell only if necessary
- ▲ Tell alone
- ▲ Give sugar coated pills

Do 2 things that a doctor doesn't

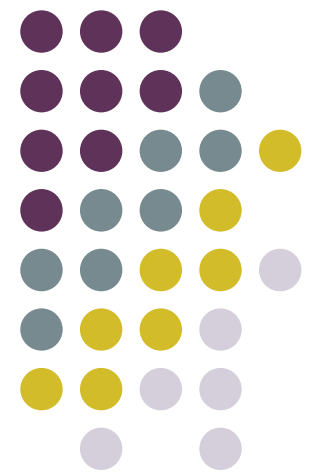

- ▲ Share your weakness too
- ▲ Say you are a well wisher

**Happy  
Thoughts**

# Part 5

## Leading for Teachers

# 5 powerful shiftings for teachers to become better leaders

- Who is a leader and who is a follower
- A vision (aim beyond aim) helps you enjoy the process
- Accept and act to enjoy the process
- Change your response to enjoy the process
- Remember the 5 rules of happiness to enjoy the process
